March Fun Fact:

March's full Moon, the Worm Moon, reaches peak illumination on the morning of **Monday, March 25, 2024**. Look for it on the evening of Sunday, March 24, as the moon rises above the horizon!

Yard waste through GFL will be resuming Friday April 5, 2024 and will continue every Friday through November. The Village DPW also picks up brush the last FULL week of the month. In the past DPW picked up limbs and tree trunks. Effective immediately, we will no longer be able to take any limb larger than (**6"**) in diameter. This also includes brush taken to the lagoon by residents. If you have any questions please give us a call at (989) 868-4503.
