Welcome to the first Village of Reese newsletter. There are so many exciting changes happening in the Village of Reese and we thought what better way than a newsletter to keep everyone informed. Newsletters will come out quarterly on the same schedule as garbage and sewer bills (March, June, September and December). Future newsletters can be found on our website, Facebook page or picked up in person at the Village Hall. If something unexpected comes up, we will be sure to post it on our website and Facebook pages, so please check in often. We wouldn't want you to miss anything exciting!

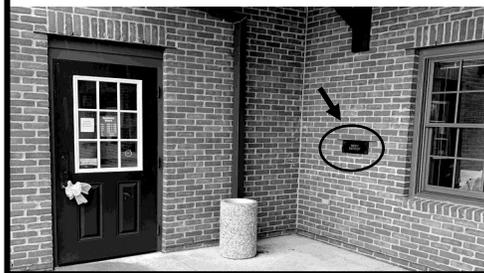

As of the date of this publication, we did not have a garbage calendar for 2021. As soon as one becomes available we will post it on our website and Facebook.

DID YOU KNOW?

We have a drop box (it says night deposit) that is located on our building (see picture below). With the ongoing pandemic and our training, we ask that you utilize this box as much as possible, even during business hours. Also, please remember to keep half of your bill.

Q: What should I do if my garbage, recycling or yard waste isn't

picked up? A: First, call our office. If it is not during office hours, please leave a message. Second, leave your container out by the road. We will contact the garbage company and have them come back around.

IMPORTANT

To help protect the health and safety of both employees and residents, Village of Reese offices will be closed to the public until further notice. Due to staff training the beginning of December, we may not be able to answer your call, however if you leave a message we will get back with you at our earliest convenience. You may also email us at clerk@villageoffreese.us. Information may also be obtained at our website villageoffreese.net. All payments will need to be mailed, made online or left in our drop box.

Leaf and yard waste pickup are now finished for the year. Keep an eye on March's newsletter for when it will resume.

Your enclosed billing was done with new billing software. If you previously had your account set up to view online, you will no longer be able to do so. If you have any questions regarding your bill please don't hesitate to give us a call. We are so excited for the features this new software can provide. One of which being autopay from a checking account. While we're not quite ready to roll that out yet, it is something we will be offering in the near future so keep an eye on future newsletters.
