It's almost Spring, which means home improvement projects will be on the rise. Make sure a call to our zoning administrator is on your to-do list before starting your project. Something as small as installing a swimming pool may require a zoning permit. Zoning permits can be found on our website.

Our playscape is on its way! Volunteers are needed to help construct it.

Yard waste through GFL will be resuming Friday April 7, 2023 and will continue every Friday through November. The Village DPW also picks up brush the last FULL week of the month. In the past DPW picked up limbs and tree trunks. Effective immediately, we will no longer be able to take any limb larger than (6") in diameter. This also includes brush taken to the lagoon by residents. If you have any questions please give us a call at (989) 868-4503.
