I am excited to share with you some upgrades coming to the Village of Reese. The first project starts early September and will affect the

intersection of Woodruff and Gates. That area is expected to be under construction for roughly a week to upgrade a storm drain. This Fall we will do two road resurfacing projects. The first project is on South Reese Rd. from M-81 to the Village limit. The second project will be on Hudson St. from M-81 to Center. Please expect delays in those areas. Thanks to the Category B grant we are able to repair the east half of Center St. In addition to that grant, The Village was also awarded money from the American Rescue Plan Act. This award will come in two payments over the course of the next two years. Village Council has yet to decide on the specific use of these funds but it will be within the parameters specified by the government. As always, if you have any questions or concerns please feel free to reach out to me.

Tom Raymond, Village Manager

Village Tax Payments are due **September 14, 2021**. Please note this is different from prior years.

We may not want to think about Summer coming to a close but leaves will soon be falling. Keep an eye out on our Facebook page, website and community sign for leaf pickup dates.

**WE NEED YOUR HELP!**

Toilets are not garbage cans. Nothing should be flushed down the toilet other than toilet paper.

**FATBERG**

The Parks and Recreation Committee is doing a brick fundraiser to raise funds for a new playscape at the Community Park on Hill St. A 4"x8" brick can be purchased for \$75 and an 8"x8" brick can be purchased for \$100. For more information and an order form please visit our website at <https://www.villageoffreese.net/links-forms> or stop in to Village Hall during business hours.
